University of Frontier Technology, Bangladesh
Bachelor of Science in Software Engineering
2024 – Running
Kaliakoir, Gazipur

Government Science College ,Tejgaon ,Dhaka
2022-23
Group - Science

SUMMARY

Motivated Software Engineering student with a strong foundation in programming and a growing interest in practical software development. Skilled in C, C++, and Java, with plans to expand expertise in Python. Alongside technical skills, experienced in portrait photography since 2019 and actively involved in creative work through college photography club activities. Currently learning video editing to build a versatile skill set combining technology and creativity. Passionate about continuous learning, problem-solving, and developing industry-relevant skills.
